

You're Either **READY** or You're **NOT**

READY Check Before Entering IDLH

R

Radio — Is your radio turned on, switched to the right channel, and every member knows to whom they report?

E

Equipment — Does your crew have the appropriate equipment and know how to use it?

A

Air — Does your crew check their pre-entry air status to ensure it's sufficient for the task?

D

Duties — Is your crew advised of team assignment, aware of their role in that assignment, and trained to do it?

Y

YES — If you can answer YES to all of the above, you're READY to make entry.

If the answer is **NO** stop, correct deficiency for mission success.
